

SEMMELWEIS INTERNATIONAL STUDENTS' CONFERENCE 2019

The Students' Scientific Association of Semmelweis University invites papers for submission to the annual conference to be held at

Semmelweis University, Budapest

(Nagyváradi square 4.)

at 13–15 February, 2019.

The deadline for submission is 7th December, 2018. 12pm.

General requirements for the submission of abstracts

- All abstracts must be original work
- All abstracts may have two authors maximum
- Ph.D. students may not be (co)authors
- All abstracts will undergo a preliminary review of a scientific committee held by the Secretary of Students' Scientific Association. E-mail feedback will be given about the decision of the scientific committee. The title of all accepted abstracts will be uploaded to the website after the decision
- Abstracts will be grouped by Topics. Please indicate the Topic most suitable to your abstract. Please note that this does not guarantee that your abstract will be grouped within this Topic in the final program
- The official language of the conference is English
- Participants from the Semmelweis University are not allowed to submit an abstract on the same topic submitted to the annual students' conference of the university.

Abstract submission procedure

- Abstracts must be submitted via the Conference website:

<http://tdk.semmelweis.hu/international-conference/semmelweis-international-students-conference-abstract-submission>

- Do not resubmit your abstract for any reason other than a submission error
- Once your abstract has been submitted no further changes are possible

- Abstract acceptance notification will be sent to all presenting authors
- It is the responsibility of the presenting author to ensure accuracy of content, spelling and presentation, as abstracts will be published exactly as submitted

Abstract formatting instructions

- Only standard abbreviations may be used in the text and they must be defined in brackets, just after the full word or phrase the first time it is typed.
- Non-proprietary (generic) names should be used the first time a drug is mentioned and the proprietary name should be underlined.
- The abstract text should not exceed 2400 characters (including spaces).
- Title should be typed in CAPITAL LETTERS.
- The name of the presenting author should be typed in CAPITAL LETTERS and the co-author(s) in lower-case letters.
- Please do not use localized signs like ä, æ or ç!
- Please do not paste tables
- Do not include references, but the abstract has to contain the specification of methods and results.

Presentation and equipment

- The time limit for a presentation is 10 minutes that is followed by a 5-minute-long discussion
- The following audio-visual equipment will be available in every session room: projector, computer with MS PowerPoint 2010
- You must bring your presentation on USB-Flash-Memory-Drive
- There will be an operator in constant attendance in each session room

Topics

1. Basic Sciences
2. Clinical Sciences
3. Pharmaceutical and Pharmacological Sciences
4. Dentistry

Registration fee and accommodation

- Registration for the conference is free
- All presenters should provide meals for themselves
- Semmelweis University provides accommodation for the participants for three nights, including breakfast, in the Center of Budapest

Students' Scientific Association of Semmelweis University is looking forward to meet you in Budapest!
